

Onya Bags

The Plastic Bag Alternative

Everyone has fallen out of love with plastic bags – the flimsy, filthy and worst of all disposable fiends have very few friends left in the world.

The new kid on the block – or Onya block - is the **Bright and Brilliant Onya Bag**.

**** Now available made from rPET (recycled plastic bottles) in a sumptuous and shiny range of colours! ****

At Onya we have innovatively created the ultimate range of products to replace single use plastic bags and to challenge our current disposable culture.

Cool, clean and convenient – Onya Bags, Backs and Sides scrunch down into their own little pouch that you can carry with you everywhere you go. Fitted with a carabineer they can be clipped onto your key ring, handbag or belt loop, enabling you to make those unplanned trips to the corner shop or garage free of plastic bag related shame.

'Ooooh!' is regularly our customers' first response to Onya Bags. Let that be what people think of your organisation. These frontline fighters can be custom made for you in a wide range of eye-catching colours. Onya Bags are unquestionably a dynamic and positive way to raise your profile and enhance your organisation's image in the community.

Customers include retailers, museums, charities and corporations.
